PARKS TEACH ABCs TO CHILDREN

Monroe County Executive Jack Doyle today announced a new program for children, ages 3 to 5, called the "ABCs of Parks" to teach preschoolers about the parks through Activities, Books and Crafts (ABCs). The program, held in Ellison Park every Monday at 10:00 a.m., is \$5.00 per child.

"Children love the parks and learning outdoors, in nature's classroom, is a fun way to engage their interest in our environment," said Doyle. "Between the fresh air and a new theme each week, preschoolers are sure to enjoy learning at Ellison Park."

To register, call 256-4967. Ellison Park is located on Blossom Road off Route 590.
